

# ORGANIZATIONS INVOLVED

## United Way of Greater Greensboro, *Family Success Center Lead*

United Way of Greater Greensboro has been at work in the Greensboro community since 1922. For 92 years, United Way has made investments in our community to serve those in need so that all individuals and families can succeed. United Way is the leader of convening people and organizations that offer the passion, expertise and resources needed to create the greatest impact possible. Leading the effort to break the cycle of poverty in our community, United Way of Greater Greensboro is implementing Greensboro's first Family Success Center to provide solutions that reduce poverty in Greensboro neighborhoods.

## Guilford Child Development, *Lead Partner*

Guilford Child Development (GCD) serves as the lead partner organization for the Family Success Center pilot with United Way of Greater Greensboro. Guilford Child Development has a long history of serving children and families in our community. GCD works to help young children and families reach their full potential and offers quality comprehensive programs for young children and families in Guilford County in collaboration with numerous community partners. It leads five main programs: Head Start/Early Head Start, Regional Child Care Resources & Referral, Catering for Kids, Nurse-Family Partnership and Learning Together Family Literacy Program. GCD currently has more than 300 employees and is one of the largest nonprofit organizations in Guilford County.
