

# YOUNG LEADERS

LIVE UNITED®

Young Leader members are emerging community leaders who give back to the community they love. Membership is comprised of caring young professionals under 40 who contribute \$120 or more annually to United Way of Greater Greensboro.

## FOCUS & INITIATIVES

### **Empowering young professionals to give back**

Young Leaders volunteer their time to give back in meaningful ways—reading and tutoring, collecting books for children in need, providing family-friendly activities for families. Young Leaders connect hands on with the work of United Way, experience first hand critical issues our community faces, and make change happen.

### **Trunk or Treat Event**

Led by United Way's Young Leaders, the annual trunk or treat event gathers volunteers and their vehicles—decorated in spooky-fashion—for a fun-filled, family friendly and safe trunk-or-treating activity.

### **Professional Development**

United Way has been working for those in need in our community for 94 years. During that time, we have built strong relationships with top corporate and community leaders. United Way Young Leaders gain valuable knowledge and insight through networking and professional development opportunities with greater Greensboro's business and community leaders.
