You helped United Way create 52 partnerships that supported 74 local programs and initiatives. Below are just a few of the outcomes you made possible in 2018-2019.

Strategic Outcomes that are impacting local lives:

- 85% of parents increased time engaging with their children through activities like reading.
- 86% of children and youth achieved on-time grade promotions.
- 81% of adults improved their job readiness and life skills for workplace success.
- 98% of people connected with a primary care provider and accessed preventative medical services.
- 81% of adults improved their credit, established emergency savings and followed a budget.
- 79% of families and adults reported an overall increase in their annual income.

We spend 7¢ to raise $1.00 and through collaboration, we turn every $1.00 you give into $1.90 of community impact.
