How to customize your fundraising page

1. Log in using the account you created when you joined the United Way team.
2. Select your name under the My Fundraising Pages section on your profile.
3. Click the blue button the says "edit your page" on the right.
4. Update your goal. Shoot for the stars! Minimum suggested amount: \$100
5. Update the section titled "Tell your contributors about yourself and why you're fundraising for our cause". Make it personal! Why do YOU care about United Way's efforts to end poverty? Here's an example to get you started:

Did you know that there are 57,000 people in Greensboro living in poverty? That's 1 in 4 kids and 1 in 5 adults who need your help. Please support me as I walk in The Human Race 5K! Make a donation to support United Way's efforts to END poverty. [Click here](#) to learn more about why ending poverty is so important and what United Way is doing about it.

6. Click SAVE. You're done!
