The movement to end poverty is working!

**PLEASE MAKE A GIFT TO UNITED WAY TODAY**

Thanks to caring people like you throughout our community:

- Kennie is no longer homeless, was accepted to college and is leaving poverty behind.
- Rick is no longer letting a mental illness keep him in poverty and he’s working as a peer support specialist.
- Ahlyse has the education she needs to avoid poverty, and she wants to be a doctor.
- Boukari is working and lifting his family out of poverty by learning new skills that will help him develop a career.
